**USI Named a Top Insurance Workplace by Insurance Business America for
Second Consecutive Year**

*Annual Workplace Recognition Program Ranks Leading Insurance Organizations Based on Anonymous
Employee Satisfaction Survey Data*

VALHALLA, N.Y., Aug. 26, 2019 – USI Insurance Services (“USI”), a leader in insurance brokerage and risk management, has been named a “Top Insurance Workplace” for the second consecutive year by Insurance Business America (IBA). IBA’s annual Top Insurance Workplaces program ranks leading U.S. insurance organizations based on a series of employee satisfaction metrics, including benefits, compensation, culture, employee development and diversity.

“We are honored to once again be recognized as one of Insurance Business America’s Top Insurance Workplaces,” said Michael J. Sicard, USI’s chairman and chief executive officer. “USI’s industry-leading tools and resources continue to attract and retain best-in-class talent from across the industry, and we’re always looking for new and innovative ways to support a workplace that is both personally and professionally rewarding. With more than 7,000 industry-leading professionals, connecting as ONE to deliver the USI ONE Advantage®, we are delivering on our vision to create a different and better experience for our clients, communities and team members.”

IBA’s Top Insurance Workplaces program has a two-phase qualification process, including an employer and an anonymous employee satisfaction survey. Company results are distributed across three separate categories based on employee size and overall employee satisfaction scores. USI was top ranked among the five organizations recognized in the large employer category (500+ employees) for 2019. To learn more, visit <https://bit.ly/2Zgr30E>.

About USI

USI is one of the largest insurance brokerage and consulting firms in the world, delivering property and casualty, employee benefits, personal risk, program and retirement solutions to large risk management clients, middle market companies, smaller firms and individuals.
