Multi-Year Recognition as One of Insurance Business America's Top Insurance Employers

USI is proud to be recognized as one of **Insurance Business America's (IBA) Top Insurance Employers** for the past *four consecutive years*.

IBA's annual Top Insurance Employer program was launched in 2018 and ranks leading U.S. insurance organizations based on a series of employee satisfaction metrics, including benefits, compensation, culture, employee development and diversity. The program consists of a two-phase qualification process, including an employer and an anonymous employee satisfaction survey. Company results are distributed across three separate categories based on the number of employees and overall employee satisfaction scores. To learn more, visit [Insurance Business America](#).
