

Commercial Insurance Career Track

Middle Market

Join an innovative leader in insurance brokerage and consulting.

Kick Start Your Career with USI

Are you – or do you know – a recent college grad eager to gain new skills and experience in insurance brokerage and consulting? USI Insurance Services' Commercial Insurance Career Track Programs offer new associates an immersive 18-month, hands-on learning experience to develop the skills necessary to effectively deliver exceptional customer experiences and succeed in an increasingly competitive market.

Program participants receive intensive training and career development support from structured curriculums, supported and delivered by a dedicated team of insurance educators and subject matter experts. As a new USI associate, you will gain practical experience helping local employers with their insurance needs with mentorship support from regional and national industry experts. As you gain confidence and understanding of the industry and USI's approach, you will receive new assignments with increasing levels of responsibility.

What You'll Learn

- The USI process, developed from over 500,000 client experiences and industry best practices
- Foundational insurance coverages, program design, and risk management strategies in preparation for obtaining your brokers' license
- The role of an insurance broker and current industry challenges
- Effective negotiation and client-advocacy skills, and the ability to provide proactive, consultative service
- Networking and relationship-building skills, as well as professionalism soft-skills development
