Employee Benefits

Analyst Program

Join an innovative leader in insurance brokerage and consulting.

Explore a Career with USI

Are you – or do you know – a recent college grad eager to gain new skills and experience in insurance brokerage and consulting? USI Insurance Services' Career Track program offers new associates hands-on experience and opportunities to learn the skills necessary to effectively deliver exceptional customer experiences and succeed in an increasingly competitive market.

The Employee Benefits Analyst Program provides in-depth training to prepare associates with technical expertise in financial analysis and benefit plan strategies. Throughout the training program, associates join a mentorship business group, led by industry experts, to further develop skills while increasing role-specific levels of responsibility.

The program also offers organized activities for participants to meet senior executives and network with team members across business lines, as well as opportunities to get involved through our USI Gives Back campaign, where each of the company's more than 200 offices volunteer in local community service.
