

USI Named to 2024 Fortune Best Workplaces for Women List

USI is pleased to share that Fortune Media and Great Place To Work® recently named USI to the 2024 Fortune Best Workplaces for Women list! USI ranked 10th and is the only insurance brokerage and consulting firm in the top 50 out of 100 recognized organizations across industries in the large company category.

The Best Workplaces for Women list is based on an analysis of survey responses from nearly 600,000 women who work for Great Place To Work Certified™ companies that were eligible for the list. Honorees were selected based on their ability to offer positive outcomes for women regardless of job role, race, sexual orientation, work status or other demographic identifier.
